## Work Experience and Internship

January 2020 – **Social Media Research Intern (Full Time)**, Girne North Cyprus

May 2020

At **CAAVAC GLOBAL RESOURCES**. I was in charge of using prescriptive analysis to determine the amount of post caavac global resources should post on their social media platform. In order to increase customer interaction on their platform. The tools I used was Instagram Feed and Power BI.

October 2020 – **Neptune Securities Intern (Part Time Remote)**, Girne North Cyprus

January 2020

At **Neptune Securities**. I learnt and studied how to use Power BI and Tableau to determine how many customers have the company retained ever since it we started using Meta Trader 5 to deposit USDT and crypto to our customers' account The Tools I was Tableau Visualization (to create the presentation to my coworkers) and Power BI (for the analysis)

February 2021 – **Shary B Unisex Saloon (Full Time)**, Girne North Cyprus

July 2022

At Shary B unisex saloon. I was responsible for cutting and shaping their male customers hair, I cleaned and maintained the barbing equipment. I made sure to report any faulty equipment to the main boss.

November 2022 – **Patara Currency Exchanger (Full Time)**, Girne North Cyprus

May 2023

At **Patara Industries LTD**. I mainly exchanged foreign currencies. My task was to sell the currency at a high rate once it retains value and at a lower rate after it falls in the market. I used predictive analysis to determine the future outcome of the currency value. In my spare time I learnt blender and game design.
